RE-ROOTED

THE FUTURE IS DAIRY FREE

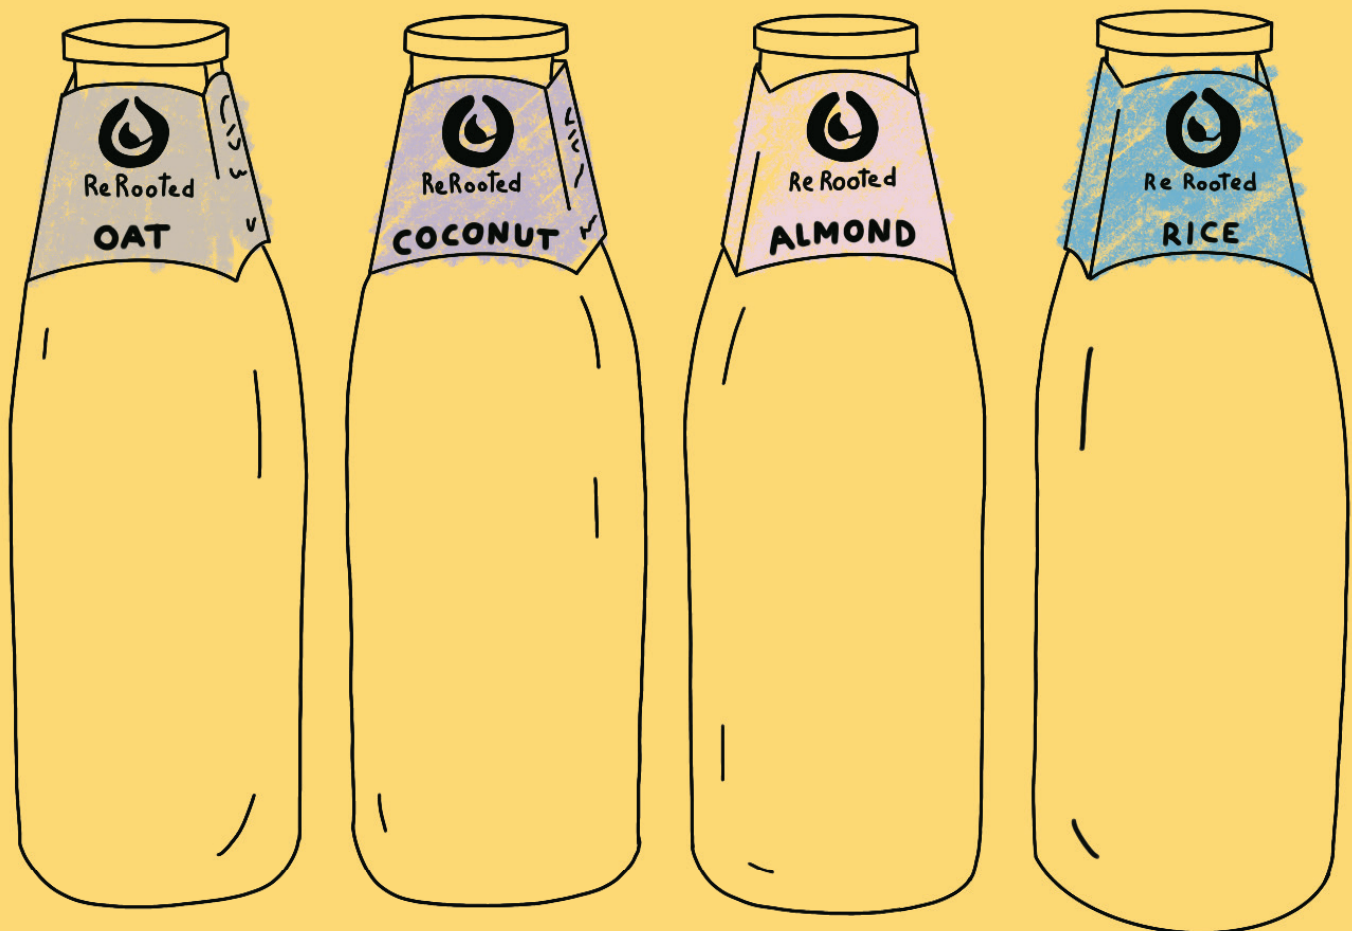

STORIES OF CHANGE

Inspiring case studies from Positive Members

REINVENTING HOW PEOPLE DRINK MILK

Positive founding member Re-Rooted is reinventing how people drink milk. Their dairy-free drinks are responsibly and organically sourced with no additives, delivered by a new generation of milkmen in zero emission electric vehicles with returnable, refillable glass bottles. They seek to minimize their footprint at every turn and give 1% of their profits to good causes.
