## STORIES OF CHANGE

Inspiring case studies from Positive Members

# WELCOME TO THE [RE]CONOMY™

Positive founding member, The Hungry Lab is revolutionising education to cultivate positive leaders for the future.

Open to anyone who is 'hungry' to make an impact, the Hungry Lab recognises that traditional schooling isn't preparing young people to thrive in today's volatile, technologically-driven world.

Inspired by the Japanese principle of 'ikigai' or 'reason for being', the Hungry Lab is using education to empower its students to achieve their own entrepreneurial dreams whilst working towards building a better world, in line with the UN Sustainable Development Goals.
