# WE SUPPORT THE INNOVATION & GROWTH OF PURPOSE-DRIVEN ORGANIZATIONS

Positive founding member DatHappy is a social enterprise accelerating purpose-driven organisations' innovation & growth and leveraging the data economy for a positive impact.

The company aims to help social innovators, to better use technology and data as a resource to positively impact the world.

Pioneering in the field of governance, DatHappy uses a horizontal model redistributing equal power to each of their remote partners based all over the world. DatHappy's partnership model (the company has no employees) allows partners to execute their tasks in a decentralized ecosystem from business development to project realization. Every partner can play their part in various projects and workstreams, with a clearly defined role which has no hierarchy of people, helping partners to align with the overall objectives of DatHappy. Leading projects in Brazil and Nigeria, DatHappy works with local partners based in those locations to create a symbiotic impact delivering collective goals and outcomes.
